

Dear Beach Dental Family,

For more than two decades, it has been our privilege to care for you and your families. The relationships we have built with you are something we treasure deeply, and your trust means everything to us.

Today, we are excited to share important news about the future of Beach Dental.

After a thoughtful search, we have chosen Dr. Meisa Keivani to lead Beach Dental into its next chapter. We made this decision with great care to ensure that everything that makes Beach Dental special would continue and grow. The values that have always guided us- exceptional clinical care, genuine compassion, a family-oriented atmosphere, and a commitment to the latest advances in dentistry- will remain at the heart of everything we do.

From the moment we met Dr. Keivani, we knew she was the right choice. Her warmth, integrity, and dedication to patients reflect exactly what Beach Dental has always stood for. Like us, she believes great dentistry is about more than teeth. It is about relationships, trust, and helping every patient feel comfortable, valued, and cared for.

Dr. Keivani earned her Doctor of Dental Surgery degree from UTHealth Houston School of Dentistry and completed three years of advanced prosthodontic training in cosmetic dentistry, complex restorative treatment, implant dentistry, and the replacement of missing teeth. She is an active member of the American College of Prosthodontists and its Research Committee, and is committed to staying at the forefront of modern dentistry.

In Dr. Keivani's words: "I am truly honored to join the Beach Dental family. From the moment I met Dr. Parli and Dr. Gersten, I understood why their patients love them so much. The care, warmth, and relationships they have built here are extraordinary, and preserving that is my greatest priority. My husband and I are so excited to put down roots on the East End and become part of this community. I cannot wait to meet you."

What makes this transition especially exciting is that all three doctors will be working together, bringing their combined expertise and shared commitment to your care. You will continue to experience the same high standard you have always known, now with an even deeper level of clinical excellence. Your team remains in place, and you can count on the same familiar faces, personalized attention, advanced technology, and dedication to your well-being that have always defined Beach Dental. We are excited for you to meet Dr. Keivani and believe the future of Beach Dental is very bright. We are honored to continue this journey with you.

With gratitude,

Beach Dental team, Dr. Jason Parli, Dr. Alexis Gersten, and Dr. Meisa Keivani
